## Direct Deposit and Payroll Deduction Form

Direct Deposit. This form contains the necessary information to provide your employer or any other company or organization to set up Direct Deposit and have your funds automatically deposited into your Pasadena Service FCU account. Simply complete the form and submit it to them.

Payroll Deduction allows you to pay your loans \&/or set aside money, by deducting certain amounts directly from your paychecks. It's an easy way to help you save diligently and ensure your loans are being paid on time.
