

Accessing Your Credit Union Account Is Easy!

CU SERVICE CENTERS®
The Member-Friendly Financial Network

Through a special partnership with other credit unions, you can now make transactions at hundreds of credit unions, known as CU Service Centers or Shared Branches.

Shared Branching is a cooperative network of credit unions that have joined together and created shared service centers across the country. By sharing facilities, credit unions can offer greater convenience for members to access their accounts at many locations just as if they were at their home credit union. Members can enter any shared service center and conduct a range of transaction services, such as:

- Deposits and Withdrawals
- Cash Checks
- Account Inquiries
- Loan Payments
- Transfers
- And Much More!

Anywhere you see the CU Service Center swirl , you can conduct most transactions just as if you were at PSFCU. Just make sure you have a current, valid U.S. government-issued picture ID with a signature handy when entering CU Service Centers.

To locate a center near you, call **888-CU-SWIRL (888-287-9475)** or visit www.cuswirl.com.
