- **It's Free!**

How do eStatements work? It's easy, convenient, and secure. When your statement is ready, you will receive an email notification. Then simply log onto your PSFCU online banking account to instantly access your statement online.

How do I get started? Simply log-on to your online banking account and select the eStatement option and follow the directions. If you'd like some personal assistance, please call us at 626-351-9651 or stop by the PSFCU office and we'll be happy to help you.

Remember, eStatements = security & convenience!
